FROM THE PASTORS DESK

Catholic Bennies

Dear Brothers and Sisters of St. Anthony's,

As Catholics we belong to the Church of Jesus. It is the one Church that Jesus Himself started. He is our founder and our constant guide down through the ages. We were not started by John Calvin, John Wesley or King Henry VIII, or any other man or woman that started their own religious traditions. We can go into that some other time; today I want to concentrate on the various things that as Catholics we have been accustomed to.

One aspect of our Catholic tradition is the use of things called “sacramentals.” These are items that we use for holy purposes, such as relics, holy water, blessed salt, ashes, candles, crucifixes, statues of the saints.... the list goes on and on.

Of course, we remember that it is the Sacraments themselves that bring us into an encounter with the Living Christ. As you have heard me say before, the Eucharist stands at the center of this and for that reason, is the most important element here at St. Anthony's.

On this Sunday, which is the Fifth Sunday of Ordinary Time, we are offering to the people one of those time tested Catholic Benefits which is the blessing of throats. Just yesterday, we celebrated the feast of St. Blaise or Blasius. Blasius was Bishop of Sebaste in Armenia in the fourth century. He was martyred under Licinius during his reign. He is said to have miraculously saved the life of a boy who was choking to death because of a fish bone that was lodged in his throat. So, the tradition began that through the intercession of Blasius, sick and infirmed people would receive miraculous healings. Those who were inflicted with diseases of the throat would especially be cured. The Church has preserved this blessing for the people of all time and it is one of those Catholic benefits that we receive throughout the year. Now, we must remind ourselves of what St. Thomas Aquinas taught about the Holy Eucharist. He says: “There is no greater healing power than Jesus in the Eucharist.” The Body and Blood of Jesus is the most important source of healing. I am often amazed by people who come for the blessing of throats and leave the church without receiving Holy Eucharist.

However, I must remind myself that we are all on a journey to the Lord. At least they come for the blessing. Maybe the blessing will impart the holy desire to get more involved in their relationship with the Lord and hence, more involved in the parish. There are some things that we must leave to the Lord to figure out.

So, the blessing of the throats will always be here at St. Anthony's for our people, those afflicted with various disease or just those who want to maintain the proper use of the mouth, tongue and throat for the praise and glory of God. God knows that we all have used our gift of speech in ways that are not becoming of the Lord. For the times we spoke lies or ill of one another, we ask St. Blaise to help us.

Peace, In Christ Jesus, Fr. Stack

SIXTH SUNDAY IN ORDINARY TIME **FEBRUARY 11TH, 2018**

First Reading: Leviticus 13:1-2, 44-46

The Lord tells Moses and Aaron that anyone bearing the sore of leprosy must first be seen by Aaron or one of the other priests, and that as long as the sore is upon him, "He shall dwell apart, making his abode outside the camp."

Second Reading: 1 Corinthians 10:31-11:1

Paul instructs the Corinthians to do everything for the glory of God, to avoid offending others, and to be imitators of Christ.

Gospel: Mark 1:40-45

Jesus takes pity on a leper and cures him of his disease with a warning not to say but to show himself to the priest and make an offering. Instead of remaining silent, the leper greatly publicized the healing, making it impossible for Jesus to enter the town openly.

GOSPEL QUESTION

When have you felt the sadness of Job? When have you felt the joy of those who witnessed the healing works of Jesus?
